

It's VILN #6!!

It looks like you are interested in a great conference.

That's right! It's time for another Vancouver Island Learning Network gathering! ADST, Design Thinking, Computational Thinking, Coding.....and more. All in one great venue, it will be one exciting event. Whether you've been to previous events, or considering attending for the first time, you don't want to miss this one. Come for the learning, networking and fun-filled, jam-packed opportunities to share what you are doing in your school.

Space is limited!

Register by October 1st to guarantee your conference hotel rate!

Learning sessions will include 3D Printing, App Development, MicroBits, Design challenges, and so much more.

Date: Friday, October 18th and Saturday October 19th

**Location: The Coast Bastion, Nanaimo BC.
Room booking deadline: October 1st**
